Dear Young Friends,

We are proud to invite you to the third edition of the Iron Camp: the *Olympic Iron Camp*, a unique and unforgettable experience organized by the Rotary Club of Sondrio. This extraordinary event is not just a youth camp but a physical, mental, and emotional journey along the symbolic path between Milan and Bormio, two cities that will host 2026 Winter Olympic Games.

What makes the Olympic Iron Camp special?

The Olympic Iron Camp is more than just an adventure:

- **10 stages, one goal:** A challenging and fascinating journey where you'll be united as a team, driven by the strength of the group rather than competition.
- **1 conference:** A moment of discussion on the ethics of the Olympic Games and their relevance today in promoting connection, tolerance, and inclusivity across nations, races, religions, and genders.
- **Sustainable mobility:** No engines, just your physical and mental effort through trekking, cycling, and canoeing—a way to experience and respect the environment.
- **A journey through beauty:** Accompanied by members of local Rotary Clubs, you'll visit places rich in history, art, and culture. You'll discover culinary treasures and breathtaking landscapes that will remain forever in your memories.
- **Olympic spirit:** The journey itself celebrates the values of the Olympics: unity, inner strength, and respect for the world around us.

A journey that will transform you

The Olympic Iron Camp is not a race to see who finishes first. It's a collective challenge to arrive together, stronger and united, through the difficulties and beauties of the journey. Each stage will be an opportunity to learn, grow, and form deep bonds with your fellow travellers and the communities you'll meet along the way.

When and where

The Olympic Iron Camp will take place along the Milan-Bormio route, starting in Milan and ending in Bormio, from July 12th to 26th.

Who can participate

If you're between 18 and 24 years old and are looking for an experience that combines sports, culture, adventure, and friendship, the Olympic Iron Camp is for you.

How to participate

Watch the documentary of the first edition, "*IRON Camp – The Documentary*", <https://youtu.be/hAcu1E0yF4s?feature=shared>, to immerse yourself in the spirit of this unique adventure. Then, apply immediately by filling out the attached form. Be precise and honest in describing your skills. We will then ask you to meet with us online to talk about yourself and the experience we want to offer you before accepting your registration.
